

FOR IMMEDIATE RELEASE

Xllerate Consulting – State of Texas DIR Contract Received

GARLAND, TX (May 27, 2009) – Xllerate Consulting, LLC has been awarded a contract to provide software products and related services for the State of Texas through the Department of Information Resources (DIR). Additional information may be found at the Xllerate website or through DIR’s “Go Direct” Program (www.dir.state.tx.us).

The contract provides state agencies, municipal governments, counties, public school districts, and state universities an efficient and effective way to leverage the huge support services buying power of the State of Texas.

Xllerate’s website offers a free 30-day trial with a fully illustrated, context sensitive help manual. The website also features free on-line training consisting of an audio/video library, sample programs and templates. Additional services include consulting and customized on-site training programs. Xllerate® requires Excel 2002 or higher and Windows NT or higher.
