

FOR IMMEDIATE RELEASE

Xllerate Consulting – Lisa Martin to co-chair WBE Education Committee for 2010-2011

GARLAND, TX (Dec 14, 2009) – The following information comes from Women's Business Council – Southwest.

2009 has indeed been an interesting year. Now that it's almost over, I hope that you have been able to "weather the storm"!

A big thank you to Sue Murray, EduCorp and Marilyn Stewart, Alcatel-Lucent who co-chair the Education Committee. Sue is staying on the committee for 2010, but [Lisa Martin, Xllerate](#), will join Marilyn as the WBE co-chair for 2010-2011.

Hopefully, you have seen the invite to the 2010 Business Boosters series that we are proud to have put together with input from our members. I hope you will enroll NOW so that you "won't be left behind" with this great expanded program just for WBEs. We are space limited to 40 and since we have about 800+ members you might want to get your name in ASAP. More info???give me a call.

The process has started for 2010 Table Topic luncheon speakers and most of the monthly speakers are in place starting in Feb., 2010. We are excited and have some new speakers from the "call for speakers" we did this past summer.

What I am asking from you- do you want to continue on this committee and can you get involved by maybe giving introductions at a Table topic lunch or make some calls about the Business Boosters- what is your interest and comfort level? Let me know soon!

Happy Holidays!!!
